December 29, 2007

Rev. Scotty Davis
Mission Team Inc.

Dear Bro. Scotty,

As we come to the end of another year I want to say thank you for all you have done for missions in 2007 and the years gone by. Anyone can see, after being around you for only a short time that your heart's desire is to see people come to know Jesus Christ as personal Savior and Lord. I thank you for being obedient to God's calling.

We were truly blessed to have you with us in north Idaho for a few days this fall to lead a men's conference for our church and to preach revival services. All of the men who attended spoke of the important topics you brought to us in the men's conference and the way you brought them to mean much to us right where we are today. We all wished that there had been time for more of your thoughtful insight during the conference. I would recommend that every church sign you up to do a men's conference. Thank you for the challenging, inspiring messages that you brought during the revival services. Everyone wants you to come back and "and do it again".

Thank you, for your help with starting a mission church in Sandpoint. It was great for you to be here while we were making the arrangements for a place to meet and to see the need for reaching people in this area for Christ. I know you have been praying for us ever since and we ask that you continue to pray that God would send people and that we would reach people for Him. Thank you for the discussion that we had today, on the phone, about being diligent in making plans now for the summer to potentially bring a volunteer team up to help both our church in Athol and the Sandpoint mission, Northpoint Baptist, to reach people thru sports camps and backyard Bible clubs. My prayer is this will come to fruition and that God will use partners such as you, and teams that you might bring, to begin a spiritual awakening in this area.

My God continue to bless you, your ministry and your family as you seek to obey Him and lead others in missions. Thanks again, for your great missions heart and leadership.

Jacky Lord
