As many churches are becoming more mission-minded, some churches need someone to come in who has a great deal of experience in doing missions, training others in missions, and helping set up their missions ministry. Having served with Scotty Davis for over six years and knowing him for over 9 years, I have a great understanding of his heart for missions and his heart for the local church.

Mission Team, Incorporated is a ministry Scotty started several years ago to assist the local church in their mission endeavors and eventually becoming more mission minded as a church. If you are in need of someone to help you start your missions ministry, or help you in the training of your current missions ministry, I wholeheartedly recommend Scotty Davis.

If you have any questions, please feel free to call me. I know Scotty can be a great asset to your church in the area of missions, and I would be happy to discuss this with you.

In Christ,

*Mike Stephens*
